Ghaziz Onorevoli R.Abeila,

Nitghamaw li din l-email issibek qawwi u shih.

Bhala Partit li jahdem favur ir-Residenti Beltin, nixtiequ ninghataw trasparenza dwar l-indikazzjoni fejn Evans Buildings kapaci jaqgha taht is-settur privat.

Naqblu fl-aspett illi għandhom issiru progetti, izda, nixtiequ nesprimu l-nuqqas ta' progetti li jgħibu dinjita u hsieb lejna bhala Beltin. F'bosta lokalitajiet madwar Malta u Ghawdex issiru investimenti mill-Istat għar-residenti, il-Belt tinsab imwarba minn dan l-aspett.

Nitolbuk illi b'permezz ta' din l-email tigi kunsidrata l-binja ta' Evans Building tibqgha ghall-uzu tal-Kommunita Beltija bhalma dejjem kienet u b'hekk għandha dejjem tibqha. F'kaz illi hemm bzonn ta' idejat dwar il-nuqqasijiet li ahna il-Beltin ilna nghaddu minnhom, u fkaz ta' idejat dwar l-importanza ta' certu progetti li jistgħu jseħħu, ahna lesti li niprovalulek lista ta' suggerimenti.

F'kaz illi diga sar xi ftehim mas-settur privat, nixtiequ ninghataw trasparenza u pprovduti bl-informazzjoni dwar id-dettalji kollha necessarji jekk jghogbok dejjem: 1) min huma n-nies involuti b'din id-deċiżjoni li tingħata binja tal-poplu fidejn il-privat? 2) x'inhu l-progett kollhu? 3) il-Binja, se tigi mikrija jew mibjugħha? 4) peress li l-proprietà fil-fatt hija fil-Belt Valletta, kien hemm xi tip ta' konsorzu biex jiddiskut x'seta' jsir biex din il-binja tintuża għall-ġid tar-residenti tal-Belt Valletta.

"Much is promised on tourism, with hospitality operators being promised a tax reduction equivalent to 30% of the expenses of a new investment or renovation to their accommodations and with regenerations to touristic areas such as Bugibba, Qawra, Xemxija, Valletta (Evans Building specifically), the Chalet area in Sliema, Paceville, and St. Julian's all on the cards."
